## Why Odoo Vs Alternatives

### i8CLOUD + Odoo ✓

- Unified, modular, and affordable
- Built for nonprofits
- Faster implementation
- Dedicated partner support
- Built for Religious nonprofits / faith-based organizations

### Competitors ✗

#### Salesforce NPSP

Free license, but requires expensive add-ons and ongoing admin overhead

#### Blackbaud

Strong fundraising tools, but weak finance integration

#### NetSuite

Robust, but costly and complex for smaller nonprofit teams
